### **Stoughton Utilities Awards Public Power Scholarship**

Stoughton Utilities recently awarded a \$1,000 scholarship to Stoughton Class of 2023 graduate Jack Nielsen. Mr. Nielsen was selected to receive the utility's Public Power Scholarship based on his essay submission about renewable energy. He plans to attend University of Minnesota – Twin Cities College of Science and Engineering.

"The scholarship program is a way for our locally owned, not-for-profit utility to invest back into the community," says Stoughton Utilities Director Jill Weiss. "We are very pleased to be able to reward the accomplishments of Stoughton's youth, and provide them with support as they pursue further educational opportunities."

Stoughton Utilities congratulates Mr. Nielsen and the entire Stoughton High School graduating class of 2023.
